Re: Complaint against Dan Seals for Congress

Dear Ms. Duncan:

I respectfully file this complaint against *Dan Seals for Congress*, a registered political committee, for making an in-kind contribution to *Bill Foster for Congress* without disclosing such contribution in the committee's quarterly report to the Federal Election Commission as required by federal law.

On February 29, 2008, Dan Seals for Congress sent the following official campaign email:

Help Bill Foster Get Elected to Congress!

Monday, March 3 through Saturday, March

We are running daily phone banks out of our campaign office to help get Bill Foster elected in the Special Election next Saturday that is occurring in the 14th District of Illinois.

We need your help phone banking and volunteers are also driving to the district to go door to door canvassing.

If you are interested in either of these activities, please send us an e-mail to info@dansealsforcongress.com with the days and times you are available!

On March 3, 2008, Dan Seals for Congress sent the following official campaign email:

Team Seals Phone Bank for Bill Foster for Congress

Bill Foster is a businessman and scientist running for Congress just west of the Tenth District. He is running in the Special Election this Saturday, March 8th to replace the vacancy created by the retirement of former Speaker of the House Dennis Hastert.

Join us each night this week starting at 5:30 p.m. for our volunteer phone bank. Use the time you would have spent in the car driving out to the 14th district to help make phone calls to voters! [RSVP Here](#)

Page Two

On April 8, 2008, Bill Foster for Congress filed its post-special election report with the Federal Election Commission. In Schedule A for Line #11C, this report listed an in-kind contribution from Dan Seals for Congress for "GOTV" made on March 27, 2008.

On April 15, 2008, Dan Seals for Congress filed its April Quarterly report with the Federal Election Commission. In Schedule B of that report, Dan Seals for Congress makes no disclosure of the March 27, 2008 in-kind contribution to Bill Foster for Congress, as disclosed by Bill Foster for Congress.

Dan Seals for Congress has clearly failed to disclose an obviously known in-kind contribution to Bill Foster for Congress. We ask the Commission to investigate this deceptive action and punish the Dan Seals for Congress campaign committee accordingly.

It is disturbing that Dan Seals for Congress, a registered political committee, has failed to follow a rule as basic as disclosure requirements. In that the recipient committee Bill Foster for Congress complied with federal election law and has fully disclosed receipt of an in-kind contribution from Dan Seals for Congress, the Dan Seals committee in turn either knowingly filed a false report with the Commission or suffers from gross negligence and disregard for federal election law.

I ask the Commission to: (1) investigate the circumstances by which Dan Seals for Congress failed to disclose a known in-kind contribution to Bill Foster for Congress, (2) punish Dan Seals for Congress for this violation of federal law, and (3) demand and require them to disclose all in-kind contributions on all Commission filings in the future.

Respectfully yours,

Louis G. Atsaves

Subscribed and sworn to before me
